

Inland Community Eye Health Care Program Free The Oppressed (Free Burma Ranger) Support KNU Train
CDM Short Training

Report 2021 April

The First we would like to thank God for protecting our Free Burma Ranger organization and giving us a good leader who loves our Karen people, helps our IDPs in Karen state and all the people of Burma. The Free Burma Rangers help all in need, love their enemies, love each other and never surrender.

The problem in Myanmar growing and now all the people of Burma want to resist dictatorship ministry. The Burmese civilians want to learn how to fight for freedom and unity so they came to Kaw Thoo Lei (KNU) HQ for specialized training. Currently, the KNU is providing a 20 day training to develop skills to protect the people of Burma, from the Burmese military.

Free Burma Ranger is also training these civilians in subjects such as, teamwork, leadership, communication, First Aid for duration of three days.
