

Cross Border Community Eye Health Care Program Free The Oppressed Report 2022 January

The community eye care program, Free The Oppressed—the eye mission in Karen state continues work along time in Thailand and Burma border. Before Covid19 Pandemic and During pandemic we are continues eye activity we can across the border illegal and organize eye mission activity. Our team can only organize the eye care program in Karen state and target only people inside Burma and people who live close to us from Thai side can receive eye care as well. The eye activity will continue their work as they could and will never stop. Because our patient keeps coming from a very long way to receive for eyes care since we have opened eye clinic.

After 2021 had passed then we are now moving into the first month of 2022 we are saved from the covid19 pandemic, and also our eye program can carry on as plan and providing eye care for the patient a sufficient amount how ever our suggest and collaboration can strengthen our work.our eye program is really satisfied with the result from our work in helping the people to see again

Our eye missions only can run at

1- K7 Pa An District – KNLA HQ Thay Bay Tar clinic

2 -K6 Lay Tar U Tar clinic

3 - Paw Bu La Tar Clinic – is new clinic for our eye activity the first time we work and operation cataract.
