

Cross Border Community Eye Care Program - Free The Oppressed

The eye program has increased its assistance for the people in Kawthoolei, along with other ethnicities who live in Burma, requiring eye treatment. Therefore, Community eye care program, Free the Oppressed aims to plan, procure, transport, and deliver the public health components related to the eyes and vision: vision screening, dispensing of spectacles, eye drops and collaborate to bring cataract and other eye surgery to the people of Burma. we received a lot of patients coming from different regions to receive the treatment, even though the transportation was difficult. Currently, because of the civil war in Burma. But we not stop we are continue organized the eye mission in Burma at Karen state.

The end of may the raining started our eye program want to stop the mission but we could not stop because of the bridge (7) Pa An district Chairman and Doo Yin Township health coordinator report they have 150 cataract patient They requite us to protect the blind people needing the cataract surgery.
